Special Note of Understanding:

I understand that I will exercise extreme caution when tossing candy and it will be done so at my own risk. Small children often times dart out to pick up such items creating a danger. Walking distributors may hand out candy, or literature, but **MUST NOT** interrupt the parade flow. The parade is much more enjoyable when large gaps between entrants do not exist. You are encouraged to choose usable items (pencils, bookmarks, etc), rather than paper flyers.

I also understand that should my vehicle break down on the parade route, the parade organizers will dispatch a tow truck at my expense.
