Vibrant USA to Speak at the May C-W Chamber Luncheon.

VibrantUSA is an independent insurance agency representing more than 30 regional and national insurance companies with more than 50 plan variations. Because we are independent, our only mission is to help you find the insurance coverage that best fits your needs, preferences and budget.

VibrantUSA is considered the agency of choice for hundreds of primary care physicians. VibrantUSA maintains up-to-date information on the Medicare

insurance plans accepted by each family care practice we support and we help patients find the solution that is right for their specific needs. Primary care physicians trust VibrantUSA because they know we are the Medicare insurance specialists, we are unbiased and we treat their patients with the respect and level of service they deserve.

On May 18th, we'll provide a brief rundown of who VibrantUSA is, what we do, and how we operate. We'll talk about who would benefit from our services and how we can help when it comes to making health insurance decisions. Lastly, taking a broader look at things to keep in mind when it comes to health insurance whether it is Medicare or individual insurance.

Reservations required, email info@cwchamber to reserve your seat. 24 hour cancellation required on reservations to avoid \$30 charge.
