## August C-W Chamber Luncheon Welcomes Leadership Clark County Director

Join the C-W Chamber Wednesday August 28th as we welcome the Director of Leadership Clark County, Tina Krause. Leadership Clark County connects and engages current and emerging leaders in Clark County while enhancing their leadership skills and understanding of key community issues, increasing their ability to serve as effective community leaders.

LCC's leadership development program brings together individuals with diverse interests and expertise and challenges them to increase their knowledge of Clark County and deepen their community engagement. Since its founding in 1993, LCC's leadership development program has graduated more than 800 leaders who support more than 100 employers and community organizations as key staff members, volunteers, board members and elected officials.

Leadership Clark County helps individuals develop their personal leadership skills while learning more about the infrastructure and services which support the community. There's a leader in all of us and participation in LCC's nine month leadership develop program is designed to help that leader grow and flourish

**Reservations are required for the luncheon. You can sign up online or by emailing [info@cwchamber.com](mailto:info@cwchamber.com). The luncheon is \$30 and includes a buffet style lunch by Executive Chef, Shawn Rowley. Cancellations less than 24 hours prior to the event will still be charged.**
